## **Instructions for Setting Up 2-Steps Authentication**

1. Using your cell phone, download Google Authentication App from Google Play (for Android) or from App Store (iPhone)

- 2. Launch Google Authentication App
- 3. Login to your RTM Account.

ReadTheMarket (RTM) was formed to be the ultimate trading Community, sharing a common goal, and working together to reach it. you've come to the right place.

As our name suggests, what we do is read the market, and we do it usually with nothing attached to the charts but price. Our philos eternally grateful to Redsword 11, who coined the phrase, and taught so many of us so much.

4. Once you're logged in, it will ask you to setup the 2-step verification process
